**FISCAL IMPACT STATEMENT**

**LS 7373**

**BILL NUMBER:** HB 1516

**NOTE PREPARED:** Jan 2, 2005

**BILL AMENDED:**

**SUBJECT:** Racial Profiling in Traffic Stops.

**FIRST AUTHOR:** Rep. Hoy

**FIRST SPONSOR:**

**BILL STATUS:** As Introduced

**FUNDS AFFECTED:** X GENERAL  
X DEDICATED  
FEDERAL

**IMPACT:** State & Local

**Summary of Legislation:** This bill prohibits a municipal, county, or state law enforcement agency from engaging in racial profiling. It requires a law enforcement agency to adopt a detailed policy that defines the elements of racial profiling. The bill requires cultural diversity awareness training as a part of the mandatory inservice training.

**Effective Date:** Upon passage; July 1, 2005.

**Explanation of State Expenditures:** For those state agencies involved in law enforcement (see below), there may be an increase in expenditures to comply with the provisions of this proposal.

For the State Police, excise officers, and conservation officers, there will be additional administrative work (in-house) associated with providing cultural diversity awareness training. The State Police have a nonreverting training fund. Over the last five fiscal years, the State Police have averaged \$379,000 for training expenditures. It appears unlikely that new funds will be needed to comply with these provisions. The fund affected is the State Police Training Fund.

The Excise Officers of the Alcohol and Tobacco Commission have averaged approximately \$5,300 per year for training over the last five fiscal years. The fund affected is their training fund.

The Department of Natural Resources Conservation Officers have averaged about \$44,500 per year over the last five fiscal years. The fund affected is the Fish and Wildlife Fund.

The Law Enforcement Training Board must adopt rules implementing cultural awareness training as part of

mandatory in-service training.

State universities with police departments may experience an increase in public safety expenditures to comply with this proposal. The specific impact and effects would vary by university.

**Explanation of State Revenues:**

**Explanation of Local Expenditures:** Law enforcement agencies could experience an increase in administrative expenses associated with providing cultural diversity awareness training. The specific effects would vary by agency and locality.

**Explanation of Local Revenues:**

**State Agencies Affected:** Indiana State Police; Excise Officers; Conservation Officers; state universities with police departments; Law Enforcement Training Academy.

**Local Agencies Affected:** Local law enforcement agencies.

**Information Sources:** Appropriation and Allotment Trial Balances for FY 2000 through FY 2004.
